

Present

Timberland: a **SAFE** Investment

SUSTAINABLE

(Trees grow, are harvested and new trees are planted)

APPRECIATING

(Historically, timberland has exceeded inflation)

FINANCEABLE

(First South Farm Credit is actively financing)

ENVIRO FRIENDLY

(Growing trees improves the atmosphere)

Photo is from one of our many listings.

Let us show you how an investment in **timberland** can provide recreational enjoyment now and multiple profit avenues in the future.
